Processed Whole Flax Seed, Processed Whole Canola
Seed and Canola Meal

Packaging:

- 50 lb (22.7 kg) bag

Storage:

- Store in a cool dry place.
- Store in a sealed container to maintain freshness.

EXL LIPEX.R3 is...

...a proprietary blend of whole flax seeds and canola seeds processed under strict controls so as to protect and preserve the delicate and valuable essential fatty acids contained within their oils.

- Manufactured under certified HACCP standards.
- A granular free-flowing product.
- Extremely palatable
- Free of antibiotics

EXL LIPEX.R3 provides:

- A high-quality dietary source of:
 - Protein with essential amino acids.
 - Vegetable oils with essential fatty acids (EFAs)
 - ✓ Rich in **Omega 3 & 6**
 - ✓ **Omega-3** (α-linolenic acid) and **Omega-6** (linoleic acid) are dietary “essentials”, as they are not formed by your pet’s body.
 - Natural Vitamin E
- Omega-3 fatty acids are provided only through nutritional support.
- Omega-3 fatty acids are needed to support:
 - Excellent Heart Health
 - Robust Immune System
 - Healthy Skin
 - Shiny Hair Coat
 - Reduced Shedding
 - High Mental Alertness
 - Athletic Stamina
 - High Reproductive Performance.
 - Minimizing the effects of stress by suppressing cortisol production.

EXL LIPEX.R3 feeding directions:

- EXL LIPEX.R3 may be mixed and blended into the complete diet, or offered as a treat.
- Feed at the rate of **8 to 16 oz per day** depending upon body condition and daily exercise level.
- It is recommended to split the daily dose into multiple feedings, or at a frequency at which your animals are accustomed.
