→ WARNING ←

This product contains copper. Do not feed to sheep.

Net Weight 50 lbs. (22.67 kg)

XF Rx PIG STARTER is:

- Formulated to promote maximum acceptance and consumption by weaned pigs, especially when they are facing stress and/or disease challenges.
- Formulated to contain only ingredients of superior digestibility.
- Formulated to contain ingredients low in anti-nutritional factors.
- Formulated to contain ingredients low in antigenicity so as to support optimal gut health.

XF Rx PIG STARTER contains:

- Ingredients specifically selected for their palatability and digestibility.
- All grains and grain-based ingredients have been pre-digested by either enzymatic hydrolysis or extrusion.
- Fresh poultry tissue (not rendered).
- No bovine tissue.
- Ingredients rich in Omega-3 fatty acids
- Trace minerals that are in an amino acid chelate form for optimal utilization.

XF Rx PIG STARTER

feeding directions:

- May be fed as the sole ration to pigs weighing from 5 to 15 lbs (2.3 to 7.0 kg).
- May be top-dressed over standard nursery feed to encourage more total feed intake.
- May be top-dressed to lactating sows and growing pigs that are experiencing low feed intake. (no medication and no withdrawal).
